## Knowing The Score My Family

### Assessment of Family Strengths and Needs

The family's strengths and needs are the heart of early intervention. The desired outcomes created by the IFSP team are the yardstick against which success and family satisfaction will be measured. \*The authors acknowledge that "family assessment" is the terminology used in both state and federal statutes.

### NONE, SOME, MANY Activity

having a successful family is knowing your family stories. Marshall P. Duke, Bruce Feiler, and Robyn Fivush created the "Do You Know Scale" to test what children know about their families. Those that test well with this quiz show higher levels of self-esteem, fewer behavioral problems, and lower levels of anxiety, and other positive results.
