cult by sending up dreams "which revealed unto the cities of mortals the past and the future" [Dempsey, 21] Later writers masculinized the dragon under the name Python They often describe him as a "child of Earth" [Olmsted, 253-4; Fontenrose 1957: 13, 47] They said that Apollo killed Python, "a dragon set by Earth to guard the oracle,"

Christianity and the Roman Empire

Because Christianity was so diffuse, and also illegal and therefore kept underground, it is hard to speak of a united "Christianity" in this period A more accurate statement might be that there were "Christianities," that is, various forms of Christianity, with different takes on the religion and its message

th Ethiopia Economic Update: OVERCOMING CONSTRAINTS ...

The current account balance weakened due to trade balances and declining transfers The deterioration is on account of a worsening trade deficit which was driven by weak export performance and large imports of capital goods for public investment programs Goods exports showed positive growth in 2013/14 but rates remained far

7. Water supply - WHO

Long-term design and investment decisions should also take into account the possibility of disaster For instance, slow sand filters, which can be adequate even for large cities (eg London and Amsterdam), are less vulnerable than other treatment systems to hazards, such as interruption of chemical supplies and power supplies (Pickford, 1977)

Rebuilding the "Jerusalem of the East"

Christians took their beliefs underground, practicing in small, secret circles to avoid detection This resulted in the permanent structural transformation of Christian worship in North Korea A traditional Christian community, one that congregates publicly for worship, prayer, and other religious activities, ceased to exist Yet family-based

A Near Approach to Freedom Passageway to Freedom

Underground Railroad, neither "underground" nor a "railroad" but rather a loose network of assistance to persons escaping American slavery This network was "underground" only in a figurative sense The activities of run-aways and those who aided them were kept as secret as possible, and this very secrecy has made it difficult to

Citron Research Report

- Created a company that is in the early stage of redefining underground transportation with the support of major metropolitan cities Our only question left for Elon is ---What about the Oceans?
