European Strategic Autonomy: Stop Talking, Start Planning

Stop Talking, Start Planning The term 'European strategic autonomy' often triggers alarm, disagreement, and mockery Yet as a political project it is neither ridiculous nor wrong Europeans should be able to act jointly and more autonomously in defence of their security interests and, done well, this would strengthen, not threaten, the defence

Stop talking about the future of work

Jun 18, 2019 · 7 Stop talking about the future of work Uncomfortable 7 EY research with employers across Australia and New Zealand found that change will be profound in the near future These leaders are forecasting significant reshaping of their workforce over the next three years: 11% of jobs in their organisation will be redundant over

STAFF MOTIVATED!

STOP TALKING - Someone once said that we have two ears and one mouth for a reason—we should be listening twice as much as we're talking Make sure you are listening to your staff, empowering them to make their own decisions and do things their way, not always necessarily your way BE

WRONG MORE - If you want a motivated staff, you have to
