Harper's "Woman's Political Future" African American author Frances Ellen Watkins Harper was a prolific writer and speaker who dealt with such issues as race, gender, abolition, and temperance Born free in the slave state of Maryland in 1825, Harper was a devout Christian who became involved in radical politics In this speech, given at

Politics - McMaster Faculty of Social Sciences

politics, the compound should always be resolved into the simple elements or least parts of the whole We must therefore look at the elements which he may use for the worst ends Wherefore, if he have not virtue, he is the most unholy and the most savage of animals, and the most full of lust and gluttony But justice is the bond of men in

Anticipation: Technoscience, life, affect, temporality

The future is always knowable in new ways, even as the grasping for certainty about it remains persistent Few, however, question whether or not 'the future' can, and therefore must, be anticipated Anticipation as we see it has multiple valences, epistemic value and is a virtue Its politics ...
