traders' activity in the marketplace These firms supply their traders with the education and capital required to execute a large number of trades per day By using the capital resources of the prop shop, traders gain access to more leverage than they would if they were trading on their own account They also gain access to the type of research

Simple Steps to Option Trading Success - Traders' Library

Many traders claim to have a plan, but it's typically just a highly limited "best-case scenario" strategy They'll say: "I like Proctor & Gamble, so I bought 1,000 shares when it was at \$75 If it goes to \$150, I'll sell" Or—worse yet—they may have no idea when they would really be will-
