that affect foreign services and service suppliers, and modify competition conditions in favor of domestic counterparts. Third, domestic regulation (Article VI GATS) ensures that non-discriminatory regulation serves legitimate policy objectives, and is not a form of protectionism. It also mitigates any unintended, trade-

SERVICES The WTO negotiations on services: The regulatory ...

Flexibility and diversity in domestic regulation are at risk from future liberalization of trade in services. Services liberalization aims to increase international trade by reducing obstacles to trade. As is obvious from even a cursory glance at the manual on services trade regulation produced by the WTO Secretariat, many domestic

GATS Negotiations on Domestic Regulation

May 19, 2010 · GATS Negotiations on Domestic Regulation Abstract The World Trade Organization is negotiating “disciplines” on domestic regulation, which is essential for both development and environmental protection. Often ambiguous, some of the draft disciplines can be interpreted as a radical departure from the practice of most nations. They could
